

# Apple Advertising Guidelines for mainland China

These guidelines are intended to inform customers seeking to advertise in mainland China about Apple's processes and requirements.

**Adherence to the guidelines is not necessarily sufficient to meet all applicable laws and regulations for advertising in mainland China, and it's your responsibility to ensure that your advertising is compliant. These guidelines are not intended as legal advice.**

Apple reserves the right to reject any advertising content that doesn't meet our standards during the review process, including any advertisement that we view as not appropriate for Apple's advertising services or Apple users.

## Advertising on the Today Tab

For more information, please refer to the [Today tab ad guidelines](#).

## Business Organization Requirements

1. Customers located in mainland China must download and submit the [Confirmation of Valid Online Agreement for Business Entities](#). Please be sure to fill in the information, affix your company chop, upload the document as an "entity document" and submit your business for approval.
2. Upload any industry specific licenses based on the content within your app. Please upload the document as an "app industry qualification." For more information, please see the Ad Content Qualifications section below. Please submit your apps for approval.
3. Create your associated promotional campaigns. Once your app and business are approved, your campaigns will start delivering as scheduled.

## Agency Organization Requirements

Advertising agencies acting on behalf of advertisers (that is, developers) will need to provide the following:

1. Provide the advertising agency's Business License with the appropriate advertising business scope. This document should be uploaded as an "entity document."
2. If located within mainland China, you must download and submit the Confirmation of Valid Online Agreement for Business Entities. Please be sure to fill in the information, affix your company chop, upload the document as an "entity document" and submit your business for approval.
3. To promote a third-party app, your Agency's Apple Ads account must be linked to the clients' App Store Connect account. To learn more: [How to link or unlink App Store Connect accounts in Apple Ads](#)
4. Once accounts are linked, upload any industry specific licenses based on the content within your app. Please upload the document as "app industry qualification." For more information see the Ad Content Qualifications section below. Please submit your apps for approval.
5. Create your associated promotional campaigns and once your app and business are approved, your campaigns will start delivering as scheduled.

## Noncorporate Entity Requirements

1. Individual advertisers that are not business organizations must provide a valid Business License for Individual Industrial and Commercial Households [个体工商户营业执照]. This document should be uploaded as an "entity document."
2. Customers located in mainland China must download and submit the [Confirmation of Valid Online Agreement for Individual Proprietors](#). Please be sure to fill in the information, affix your company chop, upload the document as an "entity document" and submit your entity for approval.
3. Upload any industry specific licenses based on the content within your app. Please upload the document as an "app industry qualification." For more information see the Ad Content Qualifications section below. Please submit your apps for approval.
4. Create your associated promotional campaigns and once your app and entity are approved, your campaigns will start delivering as scheduled.

Noncorporate entities may be restricted from advertising certain categories of content. Examples of content that may not be advertised in mainland China by noncorporate entities are:

- Gaming
  - Dating
  - Travel
  - Audio/Video Entertainment
  - Finance
  - Insurance
  - Commercial Performances
  - E-Commerce
- Internet News Information Services
  - Real Estate
  - Ridesharing/Taxi
  - Cosmetics
  - Books/Periodicals
  - Employment Services
  - Mail Delivery

**Mainland China Ad Placement Eligibility Overview**

Additional restrictions may apply to some ad placements in mainland China. For example, Apple may restrict certain Finance and News apps from being advertised within the Search tab or Today tab ad placements.

**Prohibited Content:**

In addition to our global prohibited content outlined within [Apple Ads Policies](#) , the following are examples of what is prohibited from being advertised in mainland China:

<b>Gambling</b>	Ad content promoting products or services related to gambling.
<b>VPN</b>	Ad content promoting products or services intended to mask IP addresses or user location.
<b>Pharmaceuticals and Medical Devices</b>	Ad content promoting pharmaceutical products and medical devices.
<b>Debt Collection</b>	Ad content promoting debt collection services.
<b>Funeral or Burial Services</b>	Ad content promoting funeral or burial services.
<b>Pesticides</b>	Ad content promoting the sale of pesticides.
<b>International Marriage Agencies</b>	Ad content promoting international marriage agency services.
<b>Government Documents</b>	Ad content promoting the sale or use of unauthorized government certificates or other documents (such as ID cards, files, permits, and fapiao).
<b>Language</b>	Ad content that is not displayed predominantly in Simplified Chinese.

**Age Restrictions**

Advertising in the following categories should be restricted to mainland China users age 18 and older:

- Games
- Cosmetics and Cosmetology
- Health Food
- Medical Care
- Dating
- Alcohol

Our systems may automatically enforce age restrictions for campaigns.

**Ad Content Qualifications**

The following qualifications are examples of what may be required based on the type of ad content you’re promoting. The associated documents should be uploaded as an “App Industry Qualification.” Apple may update these requirements at its discretion. Apple may submit the information and documents you upload to third-party vendors and government entities for verification.
